

WHAT IS THE I-84 HARTFORD PROJECT?

JOIN US for Open Planning Studio #9 to learn about this project. We are rebuilding over two miles of highway and many of the local streets in Hartford. View drawings of what the city could look like when I-84 is rebuilt. Talk with team members, share your stories, and ask questions at this public meeting!

TELL US what the future highway should be. Should it be built as another bridge, a lowered highway, or a tunnel? Share your ideas for the surrounding streets. What economic development opportunities matter most? Perhaps you live or work in Hartford, or come here to have fun. What changes would you like to see?

TUESDAY, JUNE 14TH • 12 – 8 PM
