Have ideas on how to fix I-84?

## HELP REBUILD A BETTER I-84 IN HARTFORD!

We want to hear from you!

We need to rebuild I-84 in Hartford. We also would like to reduce traffic congestion and improve safety on the highway, as well as reduce the impacts on the communities it passes through. We have designed some potential solutions that are very different from the highway now. We want to learn which of these ideas can work for you!

Please drop by one of our public meetings at any time:

Tuesday, October 20, 2015, 4 - 8 PM, Whiton Memorial Branch Library, 100 North Main Street, Manchester

Thursday, October 22, 2015, 4 - 8 PM, Elmwood Community Center, 1106 New Britain Avenue, West Hartford

Thursday, October 29, 2015, 4 - 8 PM, Hartford Public Library, 500 Main Street, Hartford

All three meetings will begin with an open house session, followed by a **presentation at 6:00 PM** and a question and answer period.

We look forward to seeing you!
