I-84 HARTFORD PROJECT

OPEN PLANNING STUDIO #10

Stop by this workshop any time to explore and discuss possible concepts for reducing the visual impacts of the highway, including capping over the highway, and bicycle and pedestrian features in the corridor.

TUESDAY, SEPTEMBER 13TH • 12 – 8pm

**Fellowship Hall • Immanuel Congregational Church
10 Woodland Street, Hartford, CT**

Visit i84hartford.com to learn about the project and for event details.
