

AGENDA

Date and Time: Wednesday, March 1, 2017, 2:30-4:00 PM

Subject: I-84 Hartford Transit Technical Committee (TTC) Vision Workshop

Location: Hartford Union Station

Meeting Objective: Identify the proposed Multimodal Station facility program by getting direct input from the members of the TTC. The facility program is a comprehensive description of the purpose, size, organization, function and character of the Multimodal Station Facility in quantitative and qualitative terms.

- 1) Introductions
- 2) Purpose/Responsibilities of the TTC
- 3) I-84 Project Background
- 4) Multimodal Station Planning and Design- Scope and Status
- 5) Programming Discussion (Expectations of the Facility)
- 6) Lessons Learned from the Existing Facility (Union Station)
- 7) Functional Values (Objective Measures to Judge Proposed Design)
- 8) Analogy Images
- 9) Discussion on the “Character” of Hartford
- 10) Next Steps
